RESEARCH EXPERIENCE

Director of User Success & Research, *SchoolOps^{AI}*

August 2025—present

Conduct mixed-methods user research (surveys, interviews, impact data analysis) to assess user engagement and outcomes with AI-based data analysis platform. Produce actionable insights and reports for leadership, and maintain strong relationships with pilot users to inform strategy and enhance user experience. Synthesize results for public-facing documentation.

Linguistics Research Assistant to Dr. Aarnes Gudmestad, *Virginia Tech*

July 2017—August 2025

Coded L1/L2 Spanish linguistic data (oral, narrative, written) to create corpora for analysis. Coding includes gender marking, subjunctive/indicative interpretation, subject expression, and collocational data. Followed and revised coding schemes.

Linguistics Research Assistant to Dr. Leslie Del Carpio, *Indiana University*

July 2024

Transcribed interview data for linguistic analysis of Spanish as a Heritage Language.

Undergraduate Linguistics Research and Thesis, *Virginia Tech*

“Individual Developmental Trajectories of Gender Marking in L2 Spanish”

August 2016—May 2017

Second language acquisition research built on Gudmestad, Edmonds, and Williams (2016), which analyzed the L2 development of gender marking in Spanish in a study-abroad context over time. Added third data-collection point to expand longitudinal scope and examined learners’ gender marking through a variationist perspective.

EVIDENCE OF TEACHING ENGAGEMENT

Seminar on Task Based Language Teaching—*Department of Spanish & Portuguese, Indiana University*

Spring 2025

Honed practical and theoretical expertise in task-based language teaching for a second language learning context. Critically designed and evaluated task-based teaching materials and undertook an in-depth needs analysis to design an upper-level undergraduate Spanish course at Indiana University.

Strengthening Teaching Methods and Pedagogies: Graduate Student Learning Community

Spring 2024

Strengthened teaching methods, pedagogies, and inclusivity in the classroom in semester-long learning community. Demonstrated focus on promoting equity through evidence-based teaching techniques. Earned the Associate certificate of teaching for the Graduate Teaching Apprenticeship Program in the Center for the Integration of Teaching and Learning (CIRTL)

Workshops:

- *Cultivating Inclusive Learning: Designing Syllabi for Student Success*
- *Designing Engaging Lectures*
- *Strengthen Students’ Long-term Retention*
- *Get Students to Interact Remotely*
- *Developing your Teaching Philosophy Statement for a Faculty Job Search*

Heritage Language Pedagogy—*Department of Spanish & Portuguese, Indiana University*
Spring 2023

Developed pedagogical skills with particular focus on Spanish Heritage Learners, centered on language maintenance and multilingual competence, centering fundamental differences from L2 learning context.

Second Language Teaching Methods—*Department of Spanish & Portuguese, Indiana University*
Fall 2022

Built foundational knowledge of teaching university-level second-language learners in a classroom setting. The course focused on task-based language learning and application of empirically supported research on instructed second language acquisition. Developed instructional materials and workshopped pedagogical techniques.
